Re: Cuttic v. Crozer-Chester Medical Center.; Civil Action No. 09-1461

Dear Judge Robreno:

My firm represents Defendant in the above-captioned matter. In our telephonic court conference yesterday, I referenced two civil actions where a judge sitting in the Eastern District of Pennsylvania approved *en camera* settlement agreements in which the plaintiff released Fair Labor Standards Act ("FLSA") claims, similar to as proposed by the parties here. For the Court's benefit, I have enclosed the applicable orders from Sabol, et al. v. Apollo Group, Inc. & University of Phoenix, Inc. (No. 09-3439) and Malloy v. Pentec Health Inc. (No. 09-5974). In these identified actions, the Court approved *en camera* settlement agreements with respect to FLSA claims that, like here, only applied to and affected the parties subject to the agreements.

Counsel for the parties are available to discuss further if the Court so requests. Thank you for your continuing attention in this matter.

Respectfully yours,

*Jonathan S. Krause*
